jake gyllenhaal and anne hathaway co-star in this sexy, laugh-out-loud comedy that you will find positively addictive.

I thought she would never be the type of person who would do that.

We're not just throwing that number out there, it's actually laboratory-proven by hplc testing.

But with his own past catching up to him; heck, nobody's perfect; arlene will do anything to get to the bottom of one tall, masculine, montana mystery.

Ride, and you enjoy hunting down little washers and stray parts in the bottom of your tool bag and spending...
